

## **Bay Area Nonprofit Volunteer Leaders Council**

We know that healthy communities are built and sustained through involvement from the whole community. By weaving together resources from all sectors we can create strong, interconnected communities that thrive and grow even during challenging times. The Volunteer Center's **Nonprofit Volunteer Leaders Council** provides nonprofit leaders with the resources needed to creatively and effectively engage varied sources of help and strives to elevate the field of volunteer engagement.

By joining with The Volunteer Center (TVC) and Bay Area nonprofit professionals, your organization joins an elite group of nonprofits that understand the value of volunteer engagement for building capacity to deliver services and strengthen the sector to create and sustain healthy communities.

**Join The Volunteer Center's Nonprofit Volunteer Leaders Council and take advantage of our many member benefits.**

### **Membership Benefits**

Membership is available to any 501(c)(3) nonprofit organization that provides services in the Bay Area. Member benefits are extended to two persons per agency.
