

# Diversity & You

**The Volunteer Center of San Francisco joins the Bay Area community in recognizing and celebrating our culturally rich home.**

We congratulate you for choosing to give back to the community by volunteering your time, and we encourage you to put all of your talents to use. There are a large variety of agencies, serving many different populations and cultures, that need your assistance. Share your skills in language and your understanding of a particular culture to help keep San Francisco and the Bay Area one of the most diverse and interesting places to live!

# Celebrate *OUR* Differences!

If you would like to serve a particular population or community, please call the **Volunteer Center of San Francisco** at **982-8999** so we can help connect you with organizations that match your interests.
